

CAMP JULIENA 2009

Come join us at Camp Julienna 2009!

Camp Julienna is a program under GACHI, Inc. We provide opportunities for Deaf and Hard of Hearing children and teens to interact with their peers in a safe, fun, and nurturing environment. Our volunteer staff is comprised of Deaf, Hard of Hearing, and Hearing individuals who serve as role models for the campers. Teen campers enjoy activities like caving, kayaking, and high ropes. Youth campers have fun at the lake, play lots of games, make crafts, and learn about nature. This will be our 18th year in operation.

Teen Camp will be held June 28th – July 4th at Camp Lookout in Rising Fawn, GA
Youth Camp will be July 19th – 25th at Camp Viola in LaGrange, GA.
Both are sleep-away camps.

The 2009 Registration forms, and applications will be on the website www.gachi.org and in all of our offices by January 2009, You can also contact our Co-Directors, John and Bonna, at the email address below. Don't let your Deaf or Hard of Hearing camper miss this exciting opportunity!!
